CPR & First Aid for Daycare Providers

**Safe & Convenient Pediatric CPR & First Aid Training,
 Wherever You Are**

These classes include hands-on training, as required by licensing. They are not online-only training programs. Cards are valid for 2 years, and are good for licensing.

REMOTE CPR & First Aid training teaches the CPR & First Aid class via a live 2-way audio/video session (like zoom or facetime). During the remote session participants will also demonstrate their skills on manikins that have been sent to you in advance.

- No prior class preparation is required.
- Remote session lasts approximately 2½-3 hours.

BLENDED CPR & First Aid training requires each person to complete an eLearning component online prior to class. The remote session is then used **only** to demonstrate the skills on manikins that have been sent in advance.

- Approximately 1½-2 hours of online learning prior to remote session.
- Remote session about 45 minutes.

After successfully completing either class, you will receive a Pediatric CPR & First Aid card, **valid for two years**

Pricing:
